Hi!

I'm Nickels,
BankFive's mascot.

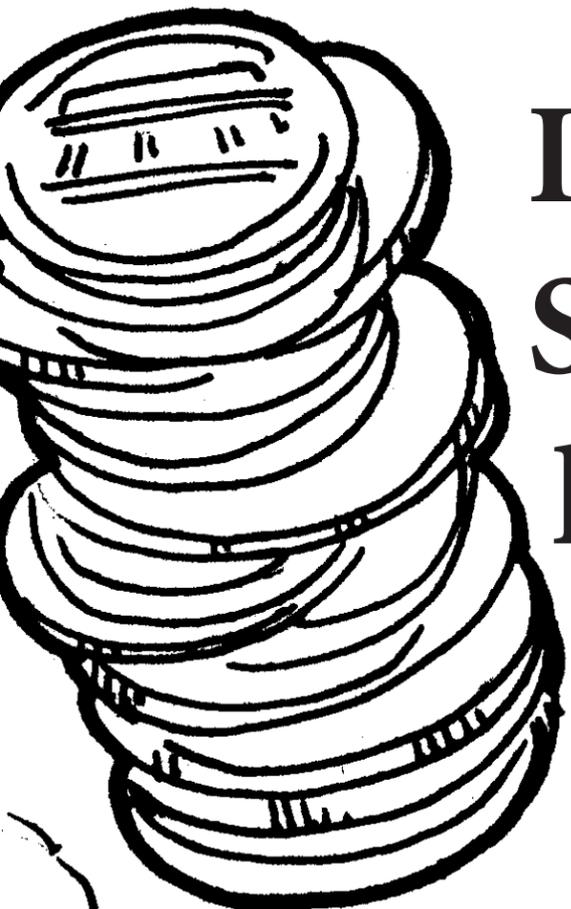

Bank 5

**I was born in Fall River
on Teach Children to
Save Day and I think
saving money is cool.**

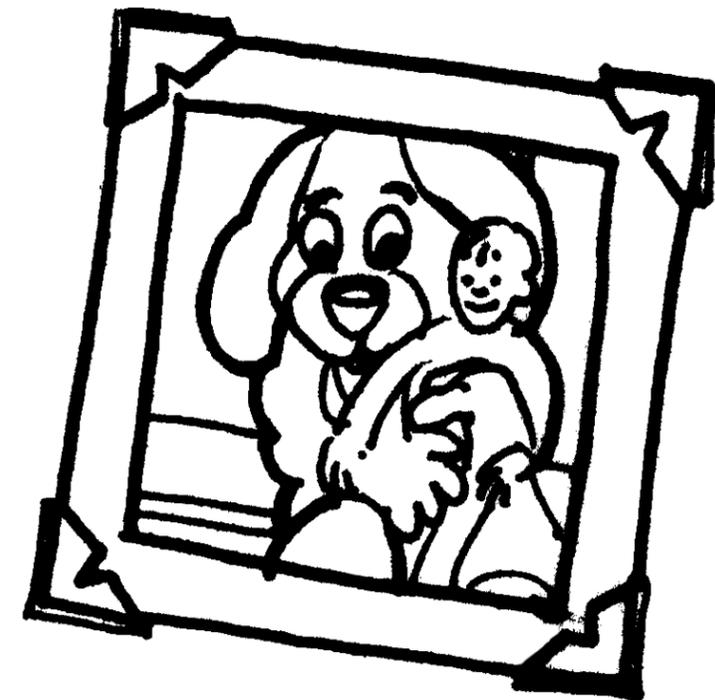

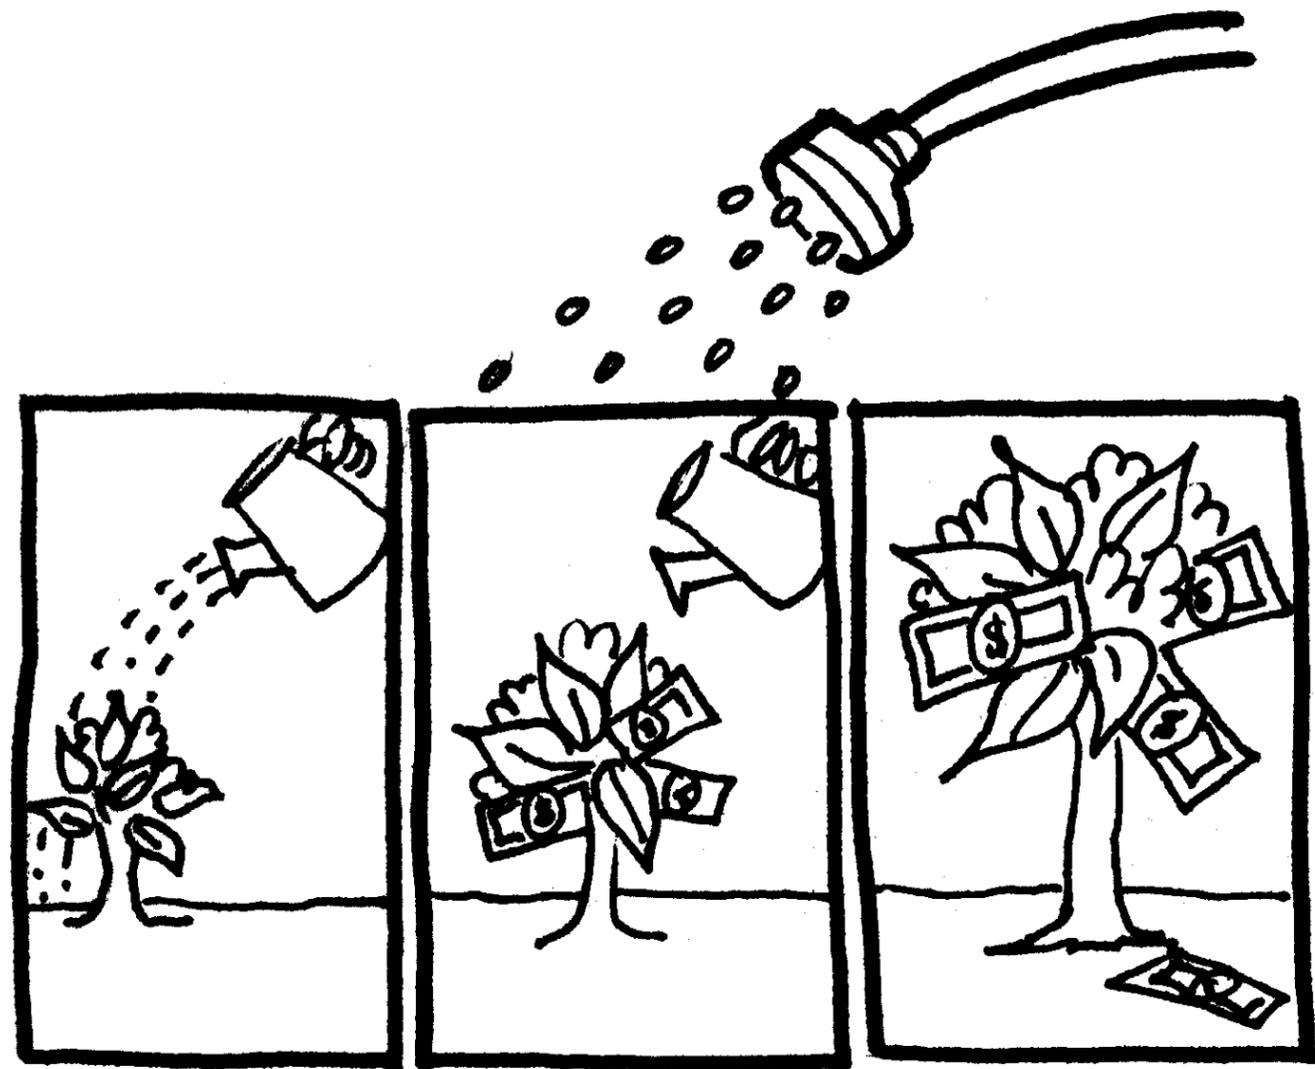

**I love to help
SouthCoast kids
learn about
saving money.**

**You'll see me walking
in parades and visiting
schools with my
BankFive friends – who
also love to see kids save.**

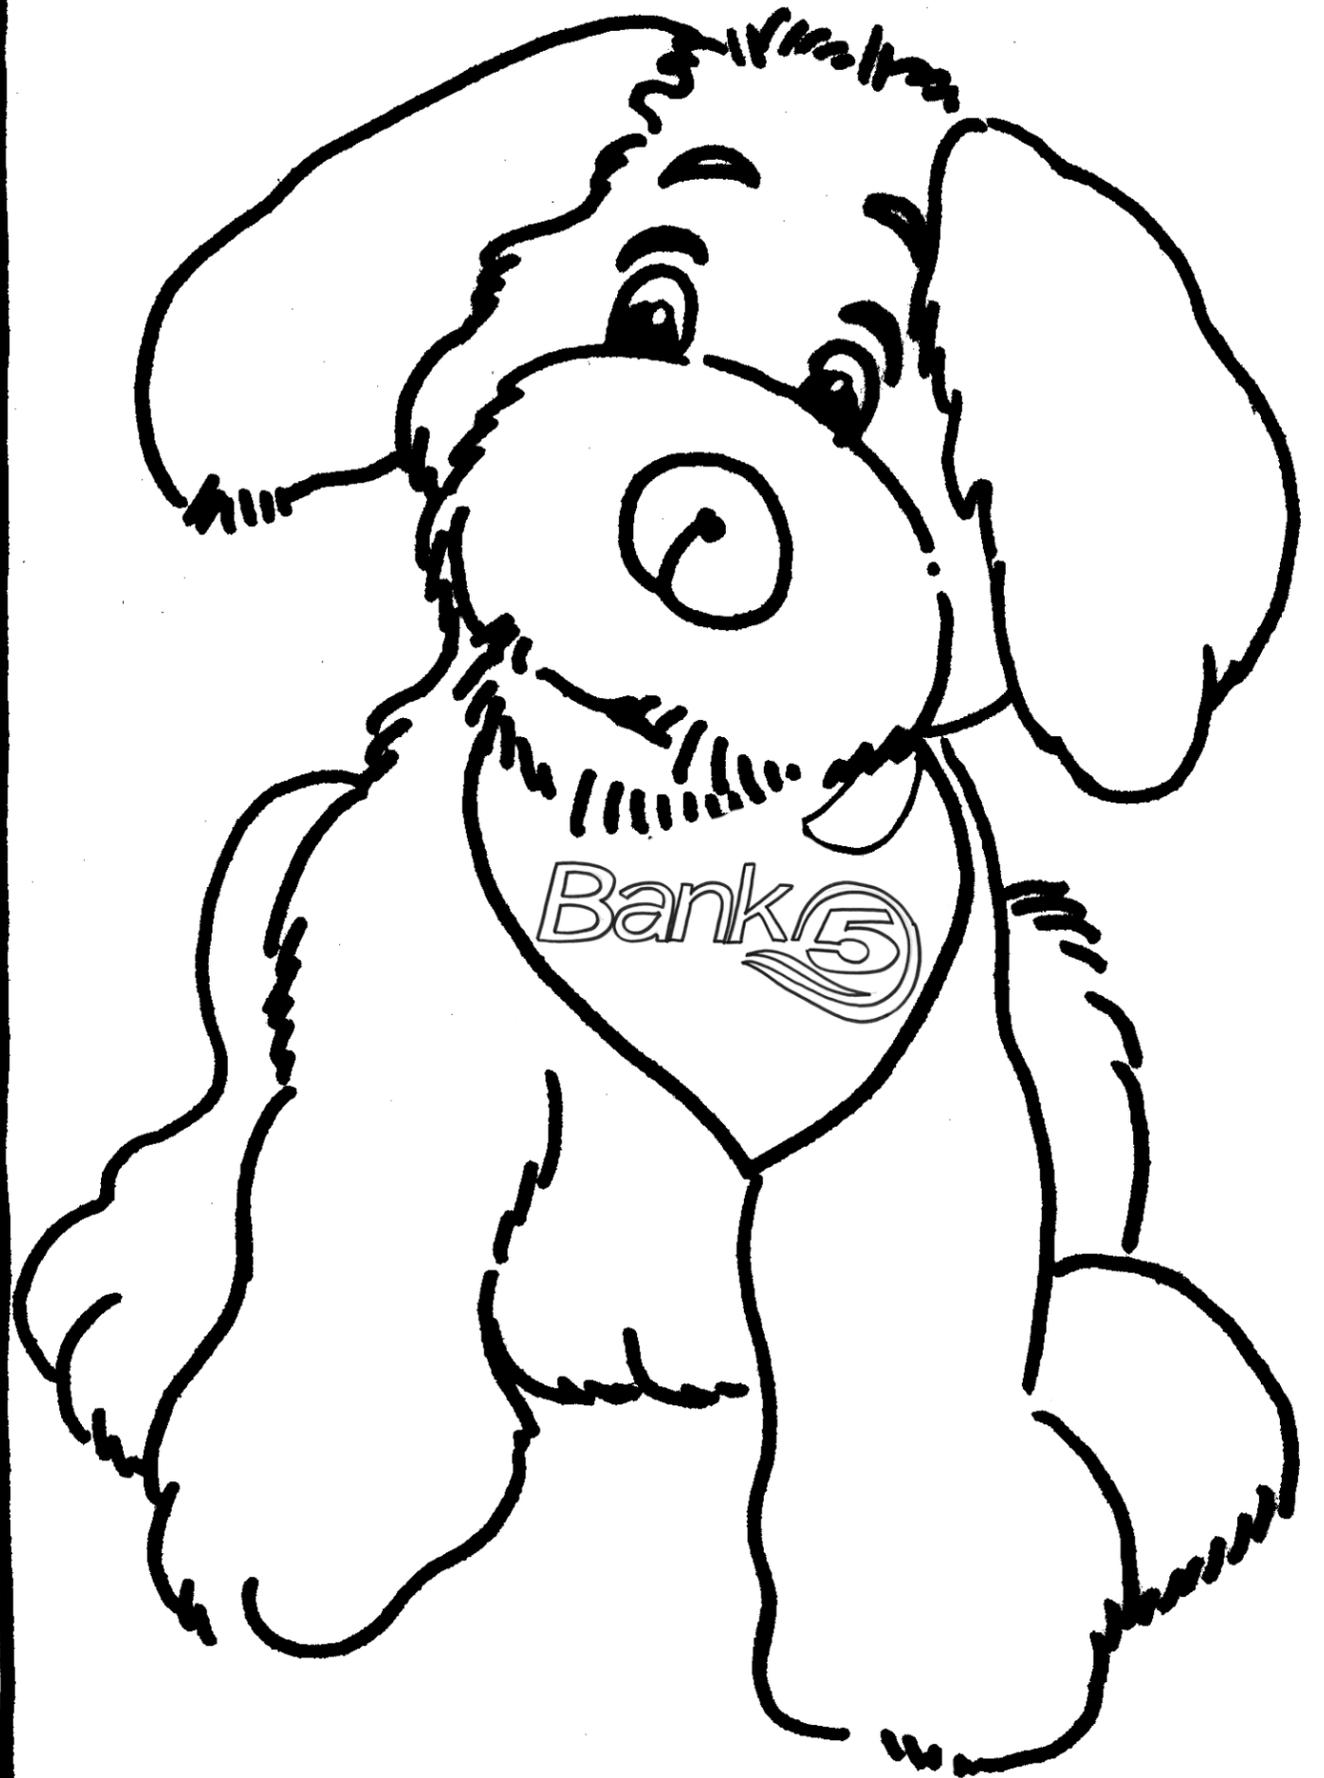

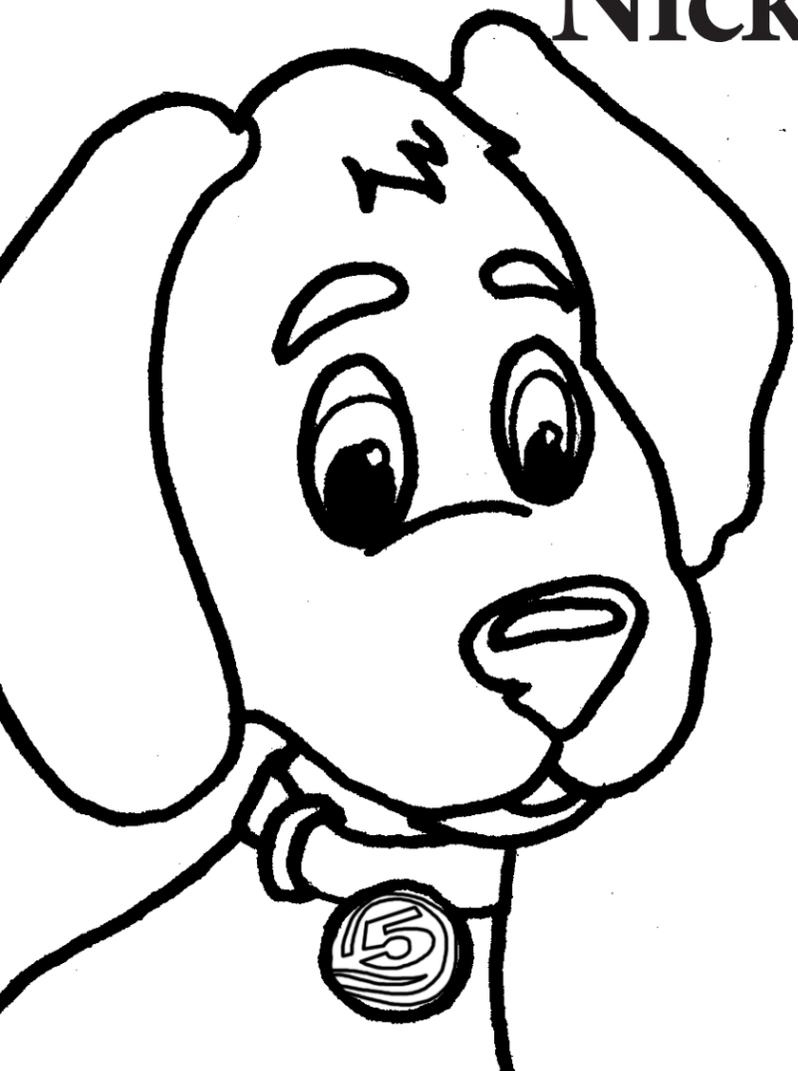

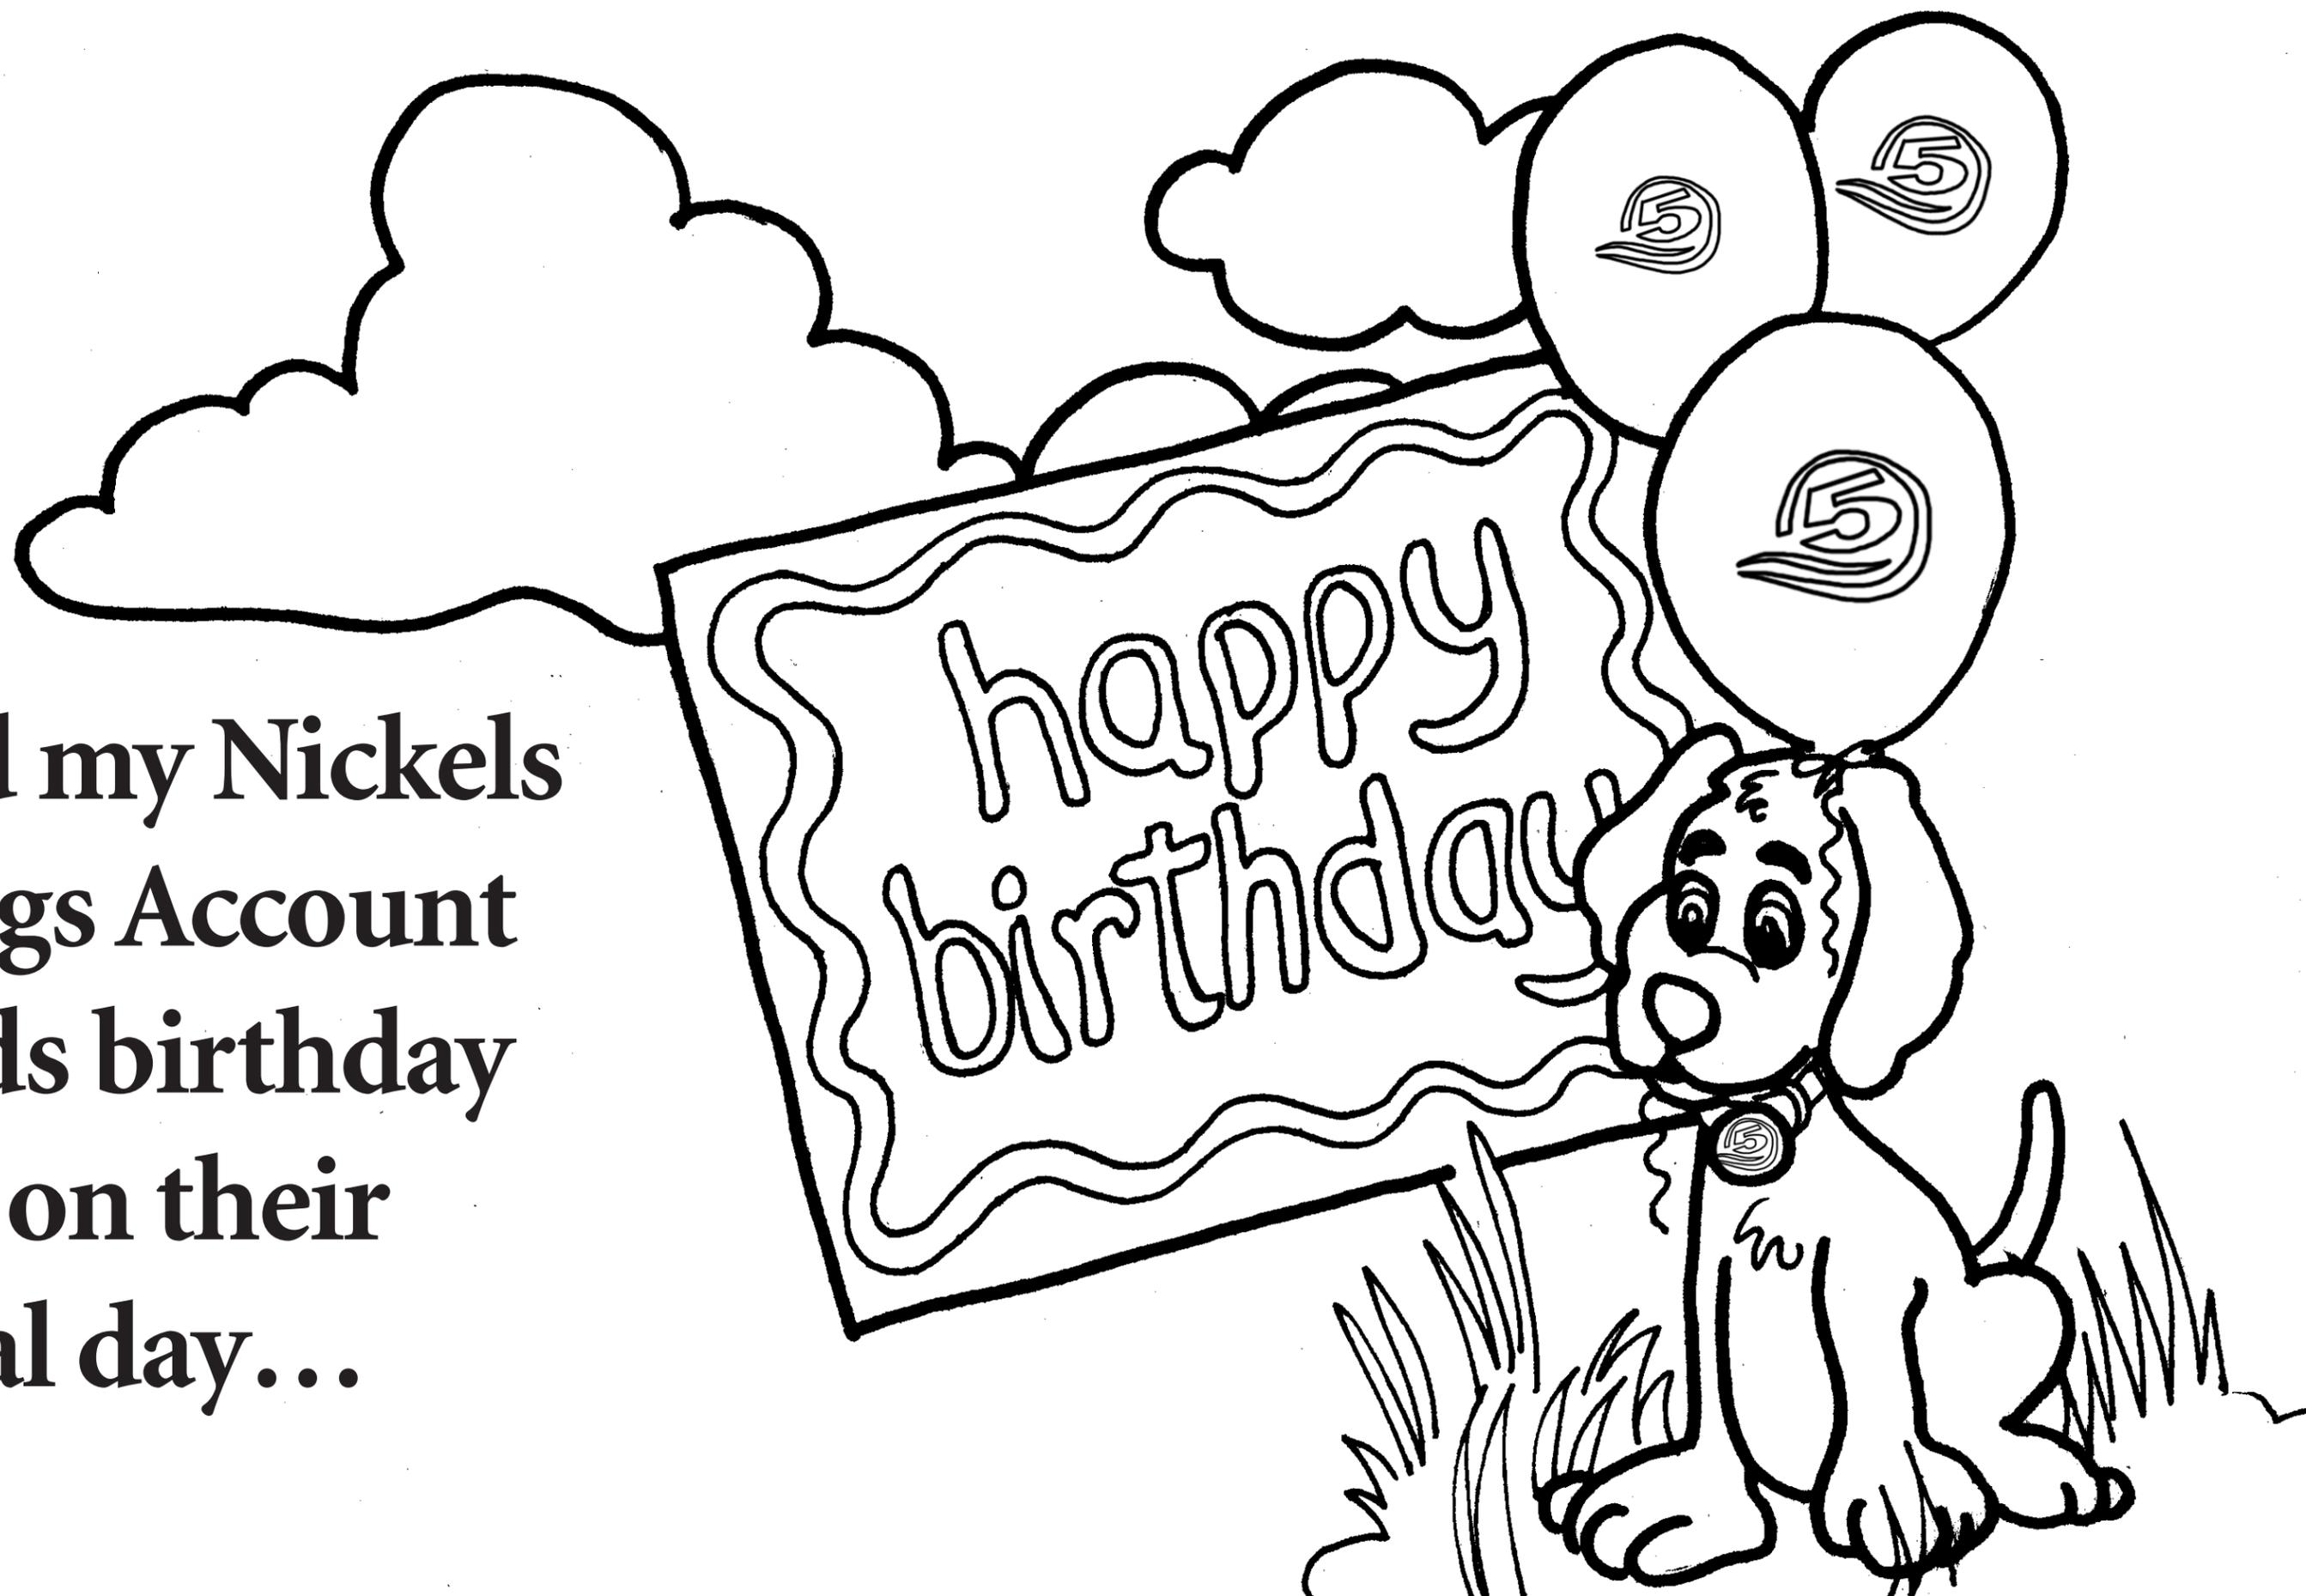

With the Nickels Savings Account, kids can watch their money grow in their own passbook.

I even reward them for
saving by giving them
a toy dog of me when
they open a brand new
**Nickels Savings
Account.**

**I send my Nickels
Savings Account
friends birthday
cards on their
special day...**

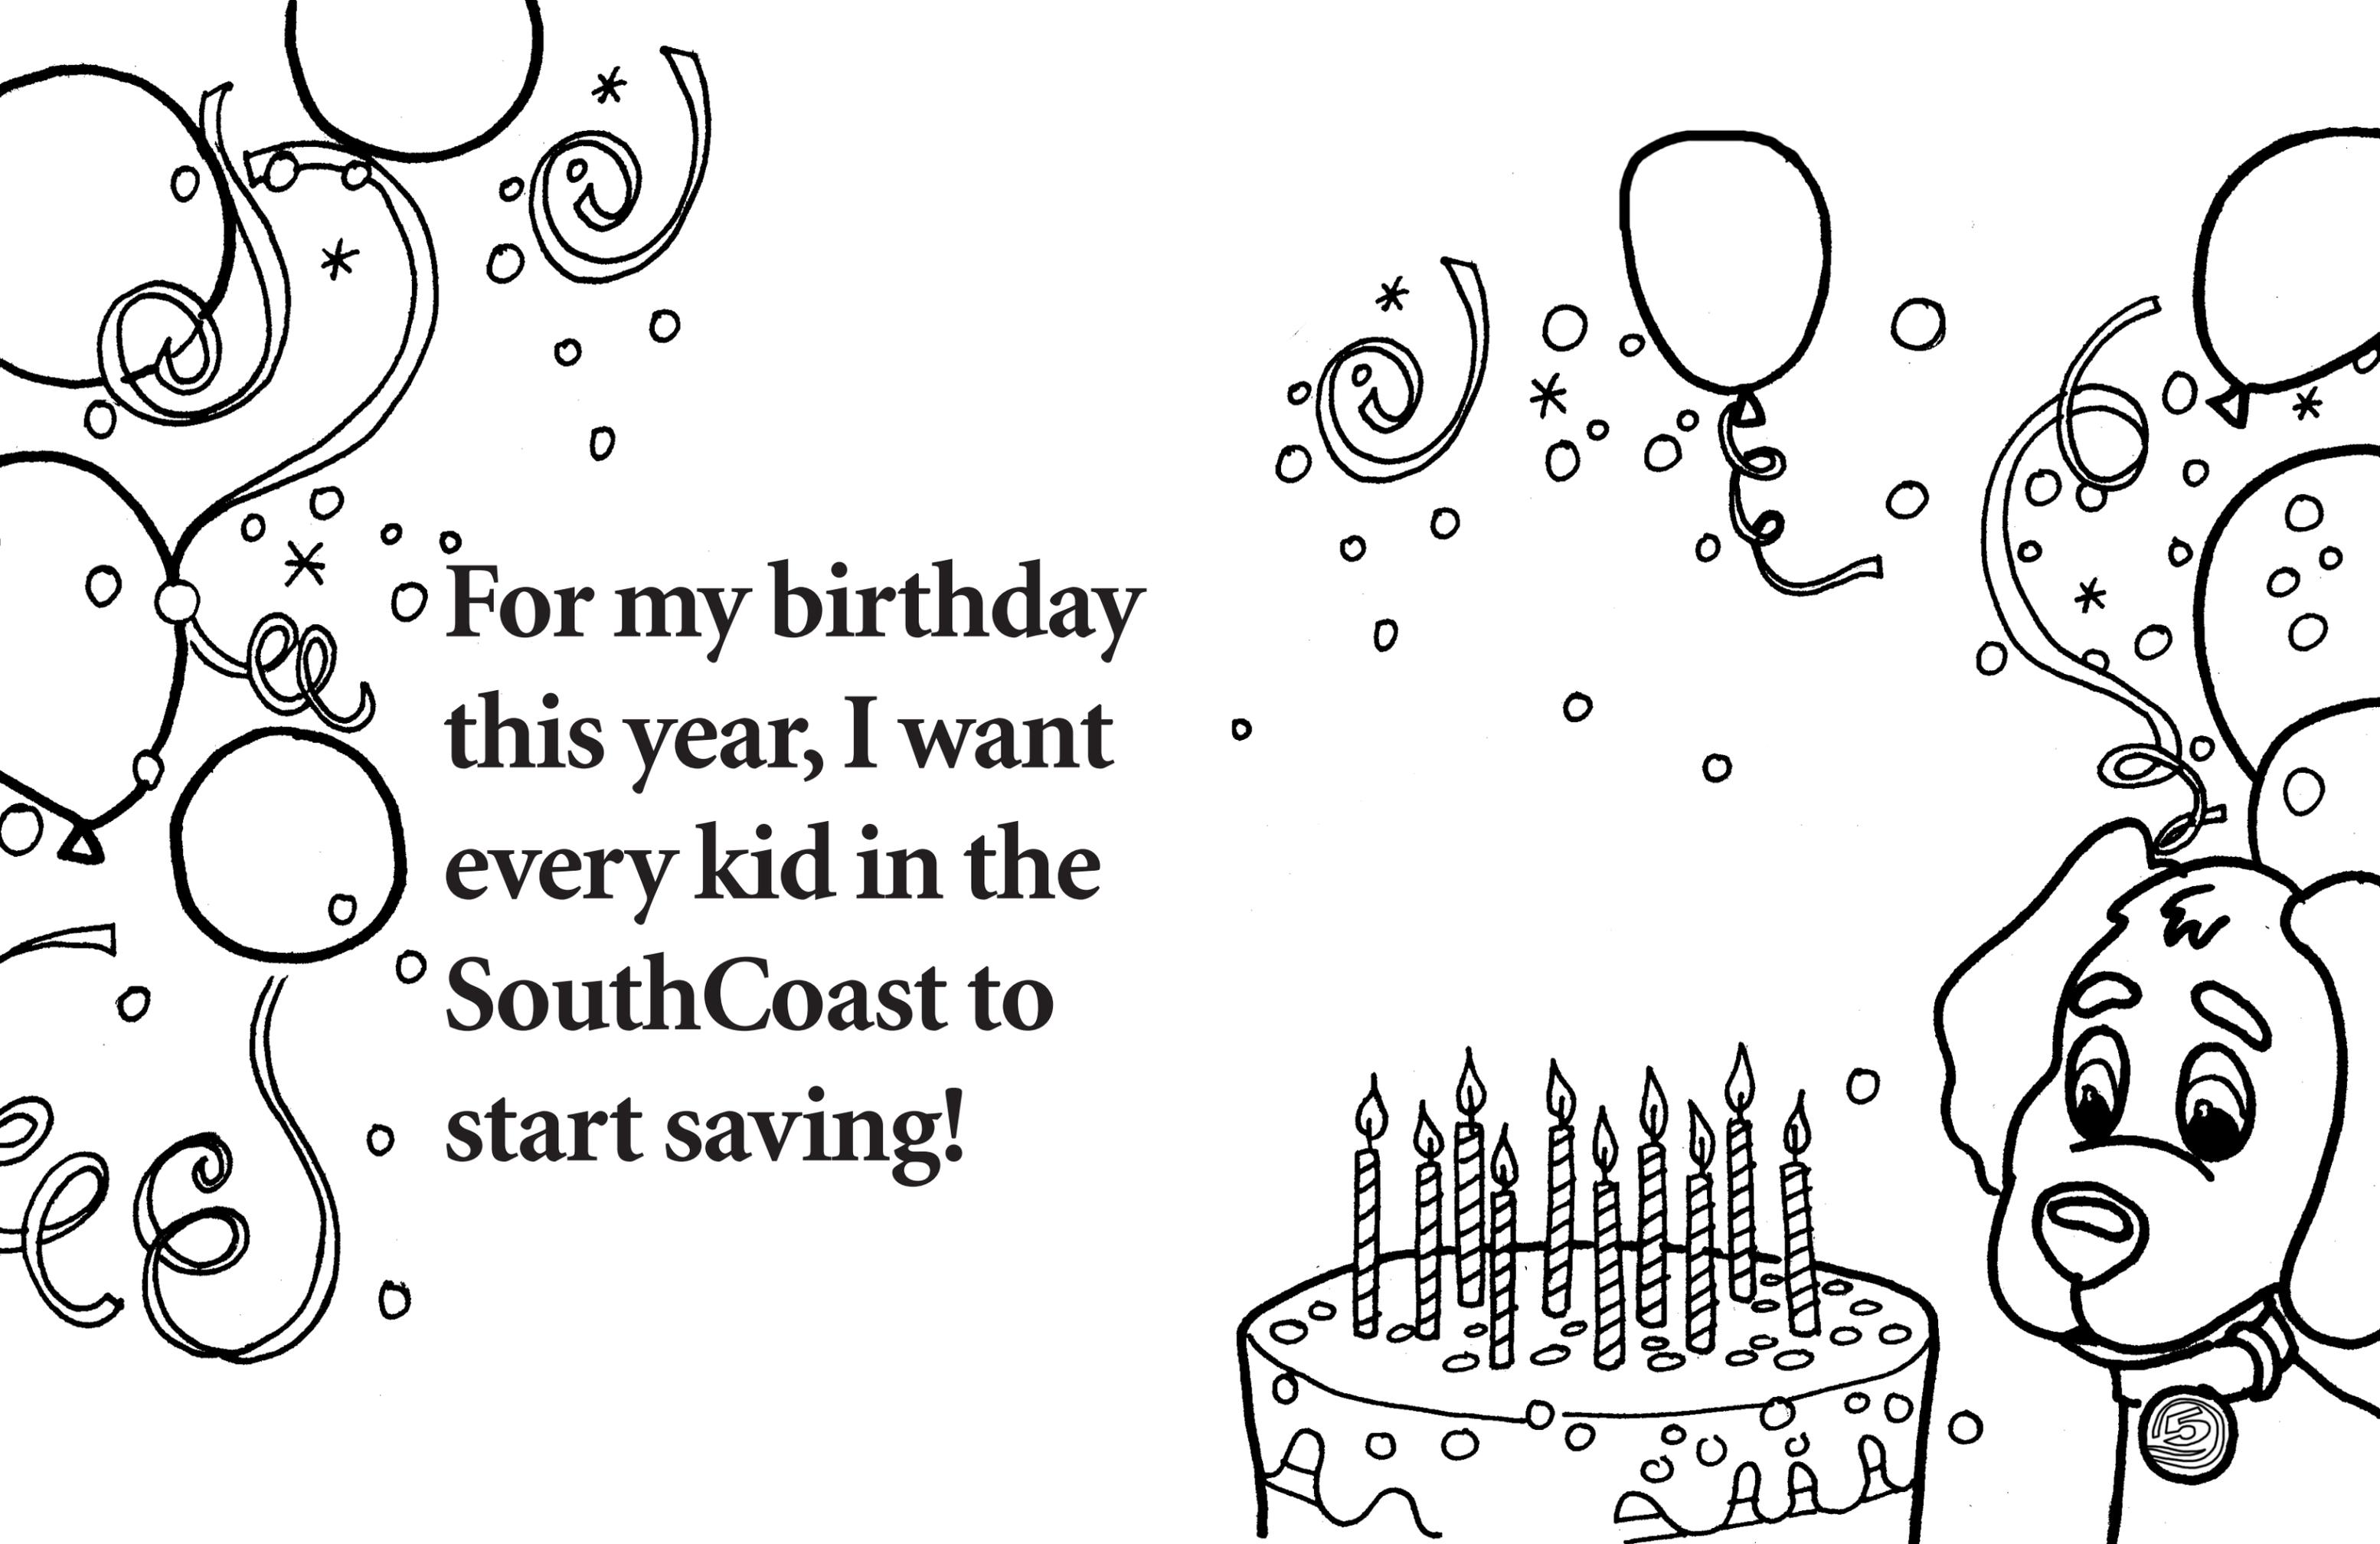

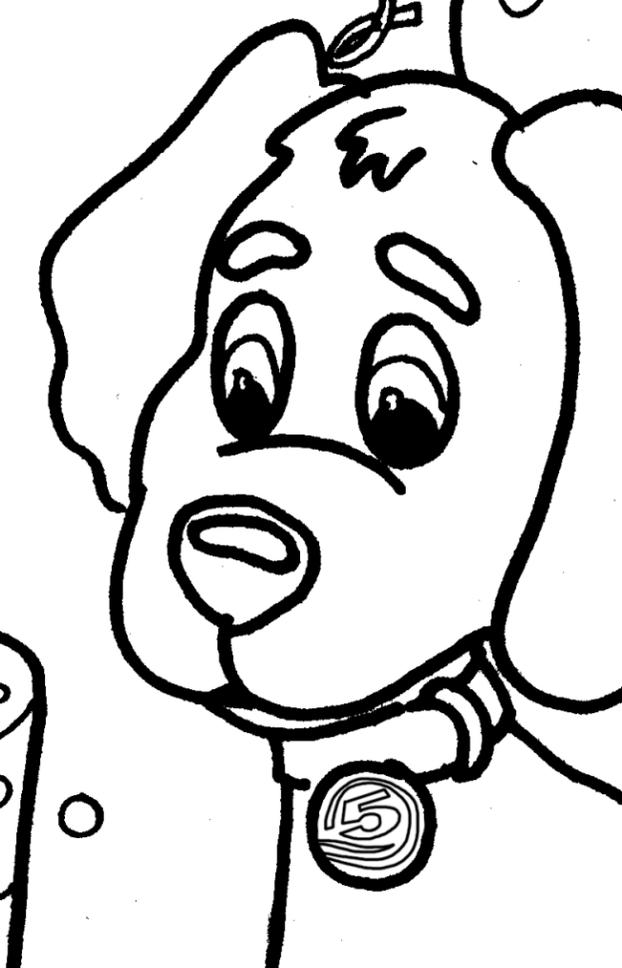

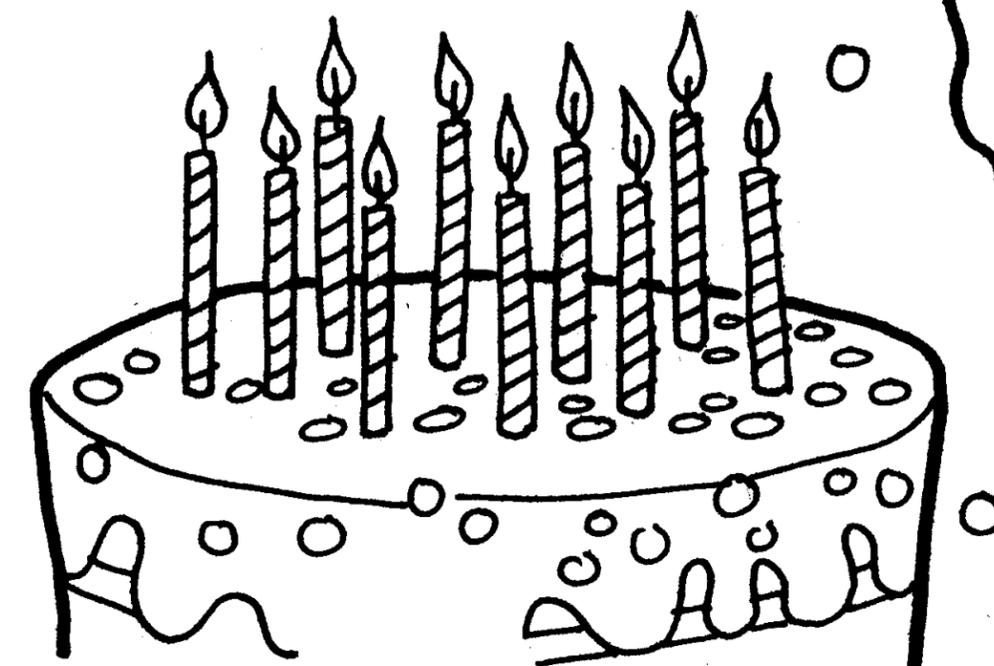

...and a fun
newsletter to help
them learn about
money.

I'm an excellent writer!

**For my birthday
this year, I want
every kid in the
SouthCoast to
start saving!**

**Yeah,
I dream big.
Can you help?**
